## MISSION STATEMENT

The mission of St. John Francis Regis Parish is to foster a family of faith,  
built on **yesterday's** foundation, so that **today's** spirituality, service, and education  
will continue to grow into **tomorrow's** Catholic community.

*"Jesus Christ is the same yesterday, today, and tomorrow."*

St. Romuald

**June 19: St. Romuald** (950-1027). I remember him at San Apollinare-in-Classe where he fled after watching his father kill a relative in a duel. Romuald founded the Camaldolese hermits. Fr. Flum spent years with this religious order before returning to the diocese.

**St Juliana Falconieri** (1270-1341) when in Florence, remember to pray at her relic shrine at the Annunciation church. She founded the Servite nuns. She was so holy, her mother asked her daughter to become her spiritual director!

**June 20: St. Alban** (209+). Proto-martyr of England who was executed for being a Christian 25 miles north of London.

**Bd. Osanna of Mantua** (1449-1505) was betrothed to Christ at the age of 18 in a mystic vision. She had repeated visions of Christ as a crucified child as she

## Saints Alive!

relived the tortures of Calvary in her own flesh. She prayed for the salvation of Pope Alexander VI (a Borgia). God responded with a countenance of wrath.

**June 21: St. Aloysius Gonzaga** (1568-1591) had St. Robert Bellarmine as his spiritual director. He had a horrendous battle with his family to get permission to become a Jesuit. He died a victim of the plague as a 23 year old seminarian.

**June 22: St. John Fisher and Thomas More** (1535+). Fisher kept a skull on his table during mealtimes to remind him of death; when the Pope sent him the cardinal's hat, the enraged Henry VIII swore that he will not have a head to set it on. Thomas More married Jane Colt and then later as a widower, Alice Middleton. His house was the center of hospitality, learning and prayer for his four children and

all who would visit.

**June 23: St. Joseph Cafasso** (1811-1860) was the spiritual director and friend of Saint John Bosco and was a small man, with a twisted spine, but who had a beautiful sonorous voice and a serenity called, "an undisturbed tranquility".

**June 24: Birth of St. John the Baptist** (30+). St. John the Baptist would later say, "I must decrease that he might increase." St. Augustine notes that it is fitting to celebrate the Baptist's birth on this day, since, after the birthday of John, the days grow shorter, after the birth of Jesus, the days get longer.

**June 25: St. Prosper d'Aquitaine** (465+) is the hero of the grace controversy – standing with Augustine over and against the Semi-Pelagians. He is the patron of theologians who are not bishops or priests. He died in Rome as the secretary to Pope Leo the Great.

### Ecclesiastes 3:1-2, 8

For everything there is a season,  
and a time for every purpose  
under heaven: a time to be born,  
and a time to die; a time to plant,  
and a time to pluck up that which  
is planted. A time to love, and a  
time to hate; a time for war, and a  
time for peace.

What if there were plants that floated in air like algae float in water? Like big living photosynthesizer clouds!

It could seem silly to imagine, but only because we're used to the things that already exist. But honestly, is anything less silly? How are squirrels less absurd, dogs less impressive? Not to mention creatures that can be united to God Himself by baptism...!
